# 1970 CAVALIER

Gloucester High School  
Gloucester, Virginia  
XVII Edition

## G.H.S. . . .

. . . is not a building of bricks and mortar, but a student body. It is a college of the sentiments, ideas, and personalities of 555 students. As we the Seniors pause to reflect upon the life that we, as a class and as individuals, have given this school, we recall that Gloucester High School is . . .

— Spirit

Spirit comes in all forms and sizes. Spirit is student support for a team regardless of the score. It is that last ounce of energy that a player gives for his team. Spirit is pride in Gloucester High School and the drive to excel in body, mind, and soul.

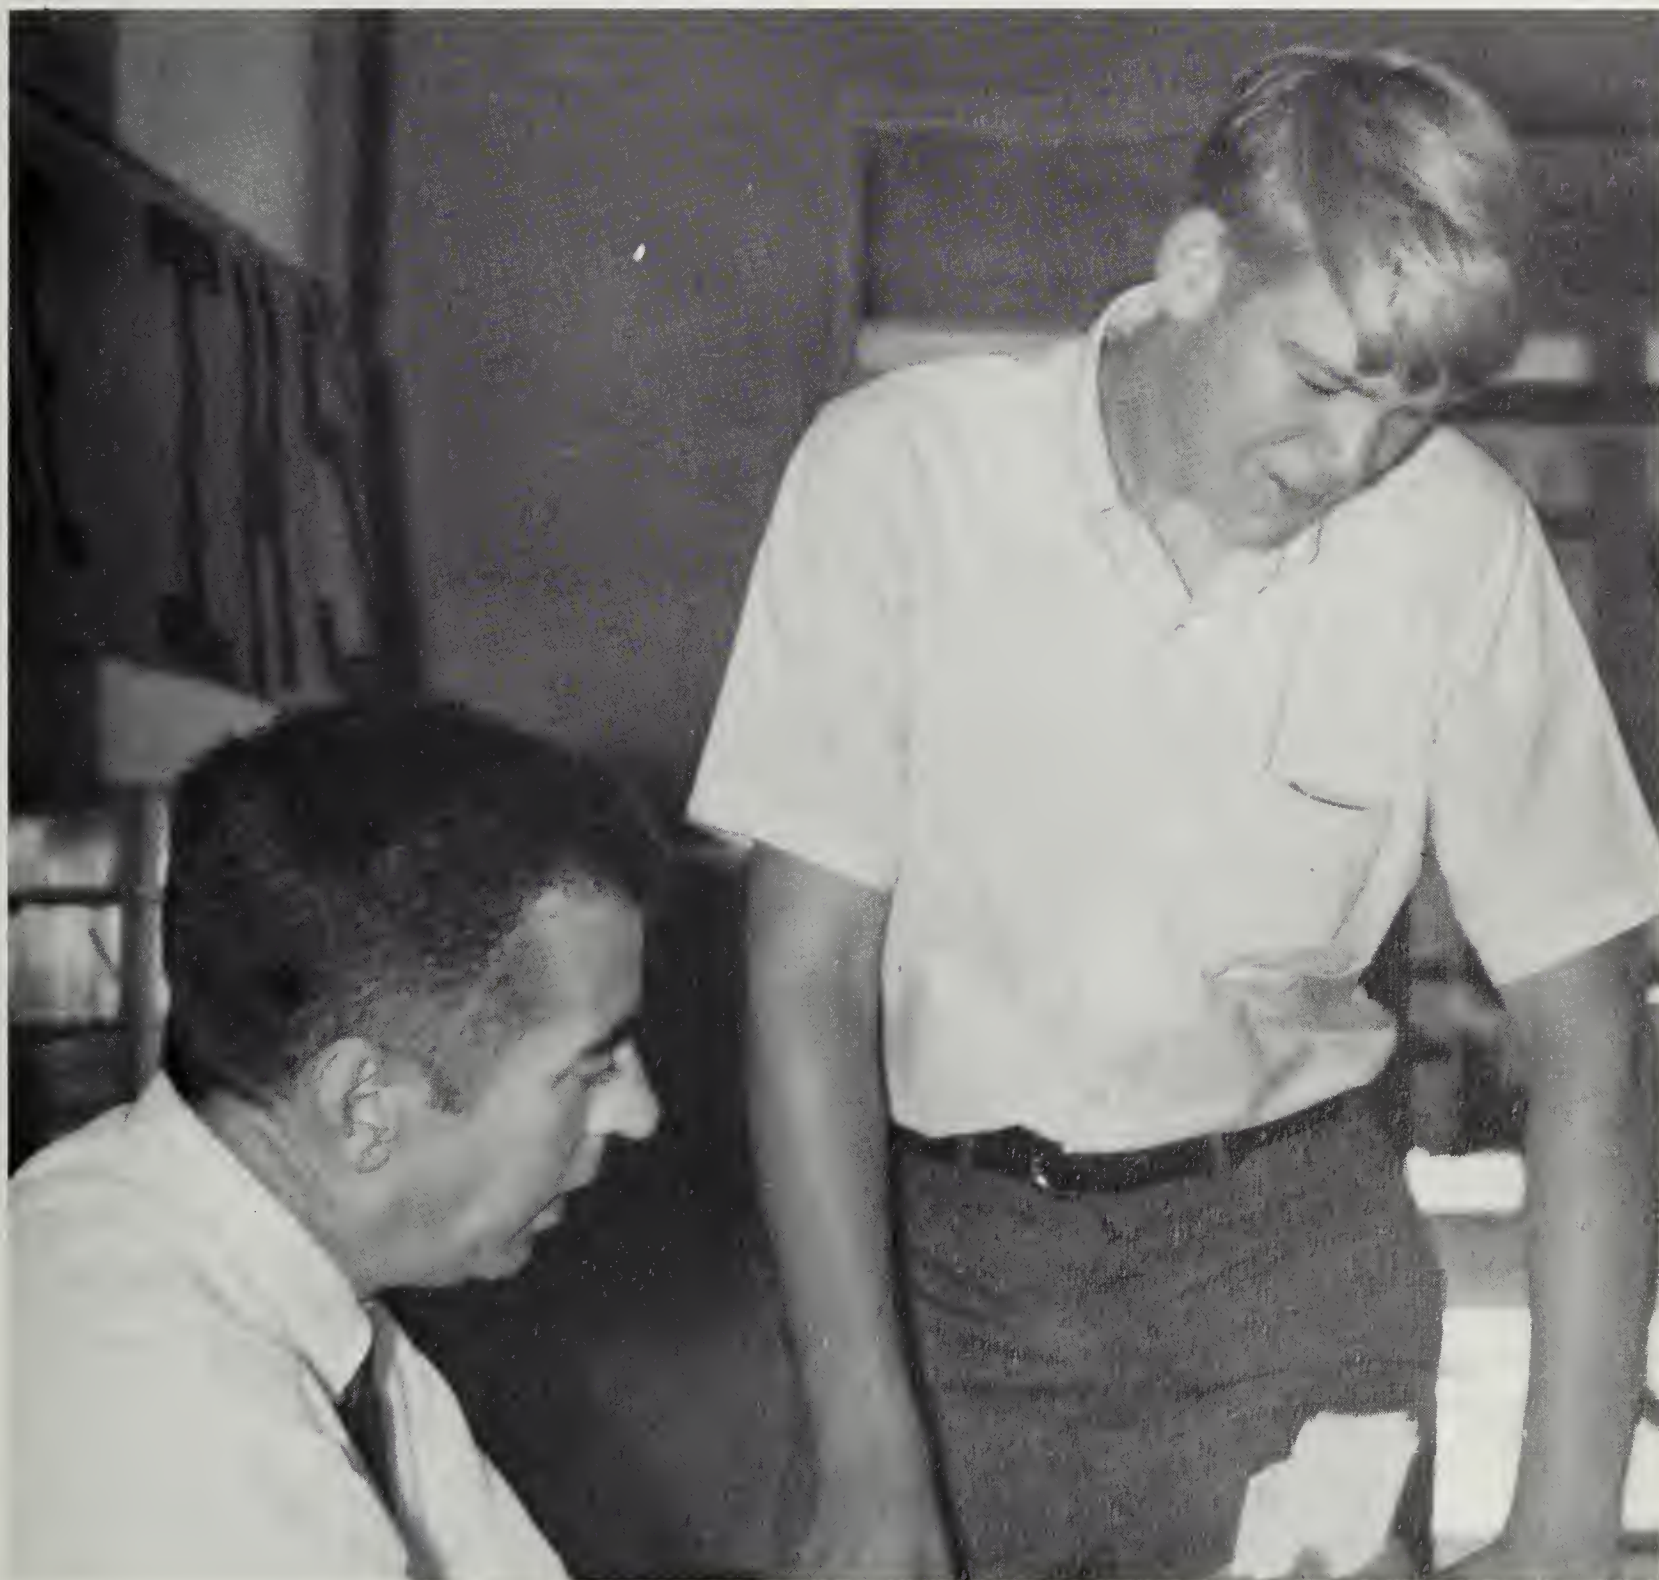

— People

## — Cooperation

Cooperation at G.H.S. is a combination of effort among students, and more importantly, between students and teachers. Without cooperation, many difficult tasks would not have been accomplished.

DOING  
YOUR  
THING

Seniors	17

As reflections of the past  
flood our minds, we pause to  
pay tribute to you. You have  
shown sincere interest in our  
success, both as a class and as  
individuals. For your help and  
understanding as a teacher,  
friend, and adviser, we, the  
SENIOR CLASS, dedicate the  
1970 Cavalier to you.

RANDALL BEAVER

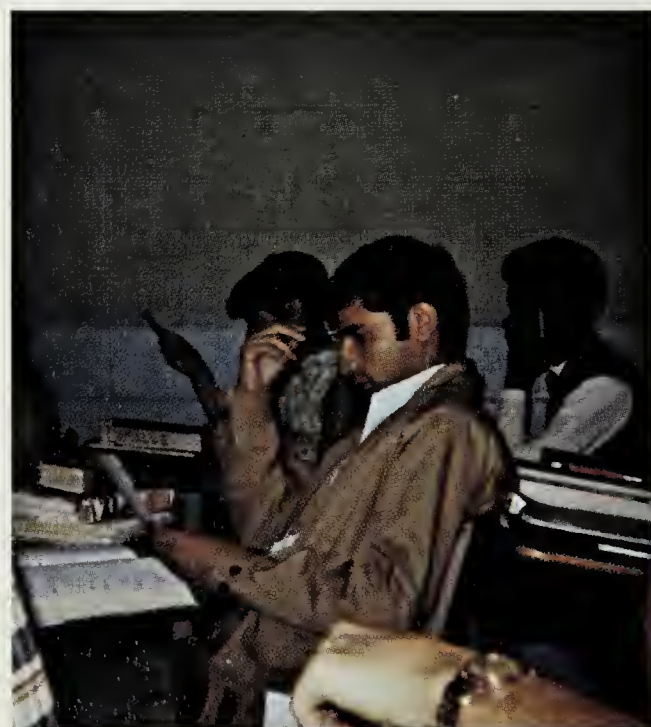

— Competition

## — Hard Work

Hard work is not limited to scholastic pursuits. It is distributed among various extra-curricular activities, be they on the practice field, behind a podium, or on the stage.

## — Friendship

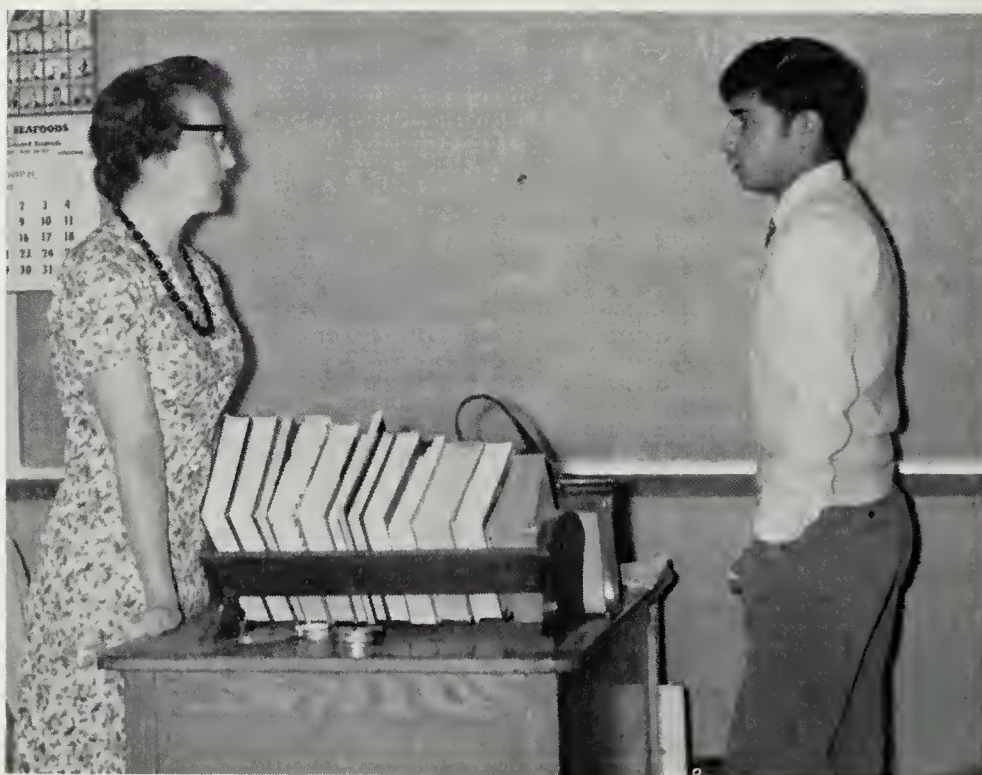

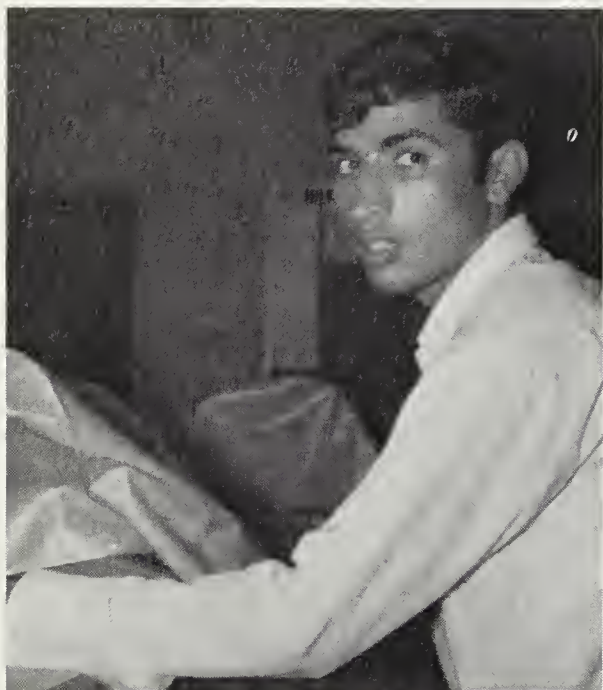

Friendship is an experience in the lifelong drama of human relations. Into our minds pass recollections of past acquaintances, both short and lasting. Many end here at G.H.S., but others will grow stronger.

## — Reaching Out

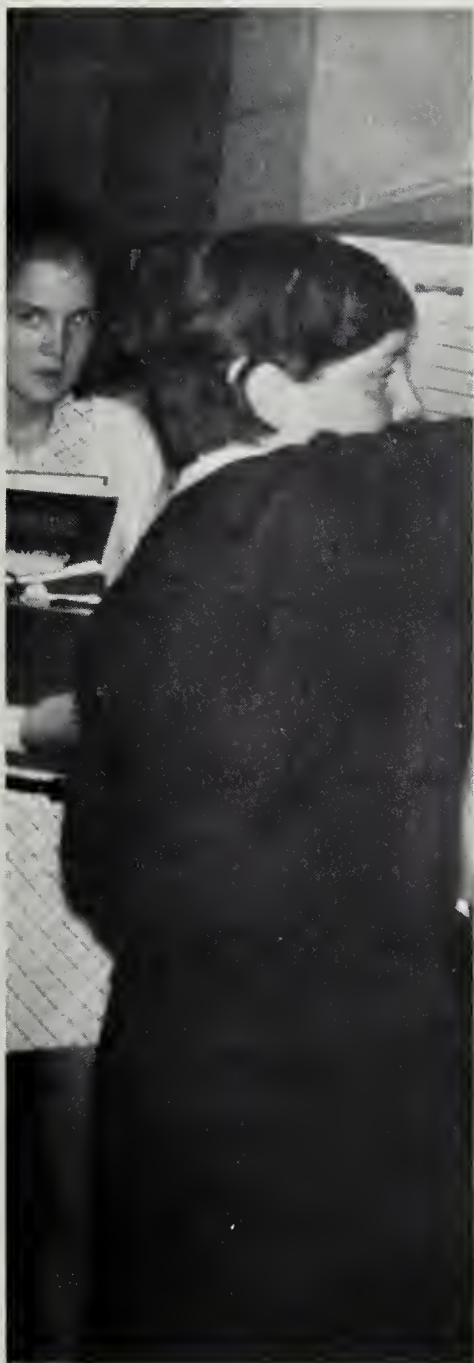

For the first time, G.H.S. has extended its friendship to a foreign exchange student. Mohammad Ihsan has contributed to Gloucester High with his personality and instilled a sense of pride in our school. He has presented us with the opportunity to express ourselves in a constructive exchange of ideas.

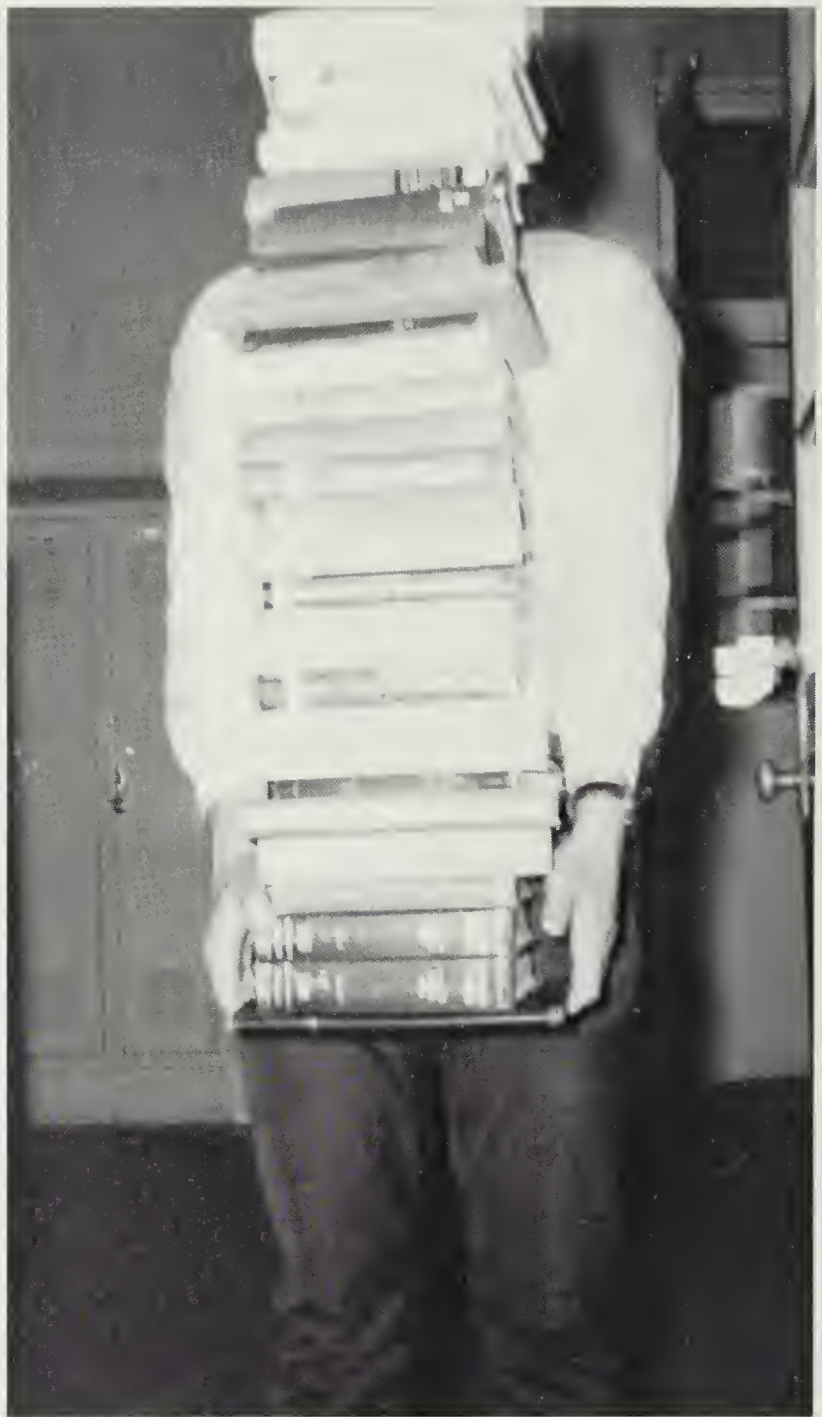

## — Preparation

Gloucester High is but a stepping stone, paving the way to higher and better things. Students are prepared to venture forth into the world upon their own.

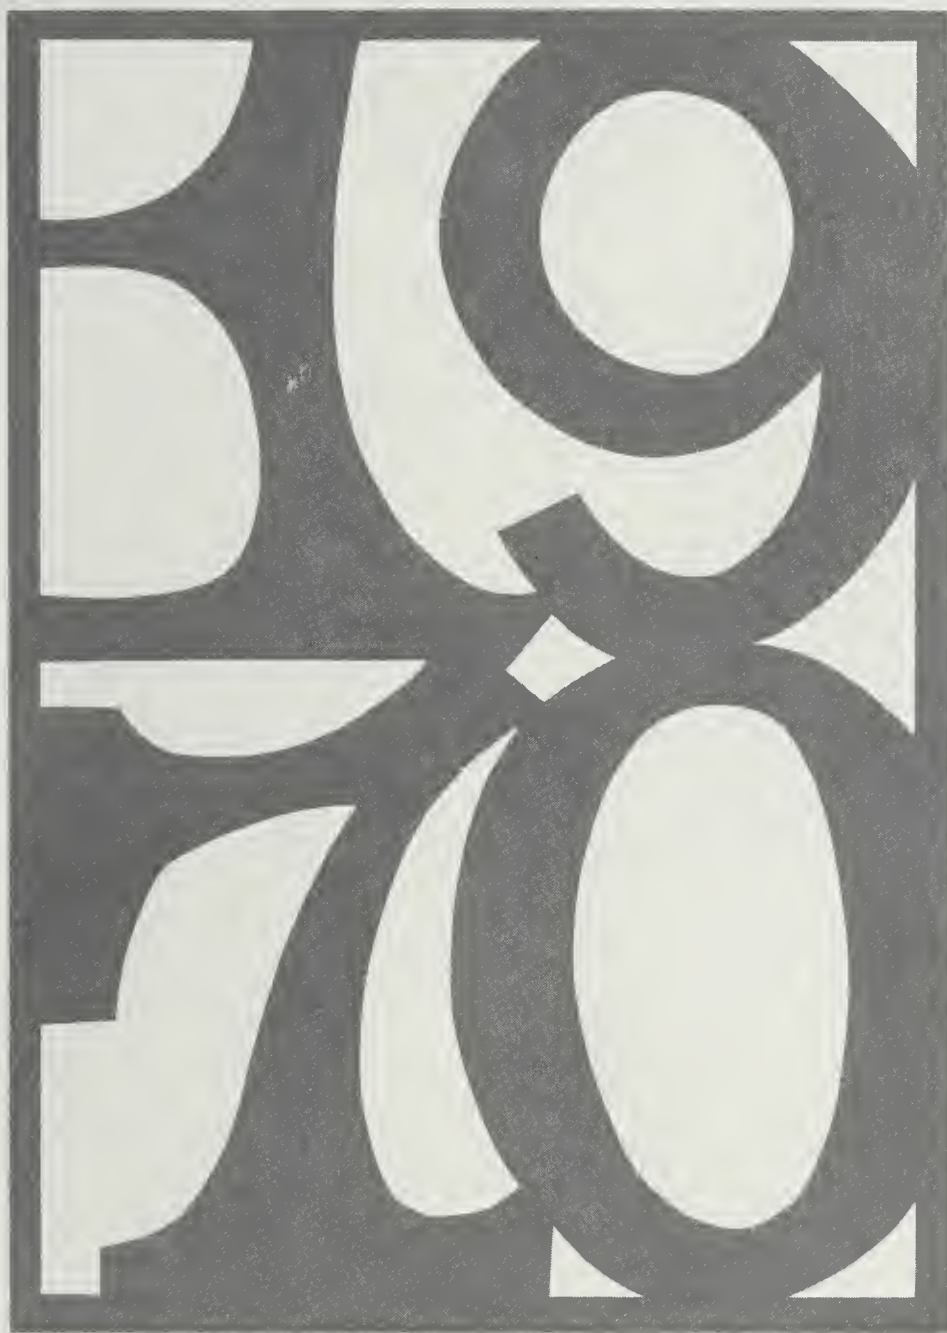

## — A Way Of Life

Mrs. Pointer helps out.

Six periods a day, 180 days a year, the process of getting a high school education goes on at Gloucester High School. The field of education at G.H.S. ranges from vocational studies to physical education. In between, there are foreign languages, advanced math, government, and many more subjects. Contrary to the belief of some, education is not limited to the "three R's" but encompasses many areas which no teacher can cover. Physical and spiritual endurance is accomplished through long hours of team practice. Association with other people gives us a first step towards understanding ourselves and others. We acquire the first taste of the give and take necessary in life. No matter what we learn in the classroom or out, there is one thing no man can give us. This is wisdom. When we attain wisdom, our education is as complete as it will ever be. Wisdom.

"I've got a question!"

## ORGANIZATIONS

## S.C.A. Council

The Student Cooperative Association of Gloucester High School has come closest this year to fulfilling its role of leading the students than in any previous year. Among its many activities, the S.C.A. spearheaded the drive to bring a foreign exchange student to the school. The honor code, student -- faculty relations, and school co-operation are all aspects in the Student Cooperative Association's continuing pursuit of interest, leadership, understanding, and honor throughout the student body. The officers are: Connie Eagle, president; Stewart Harris, vice-president; Norma Jordan, secretary; Betty Hicks, treasurer; and Charles Kerns, reporter.

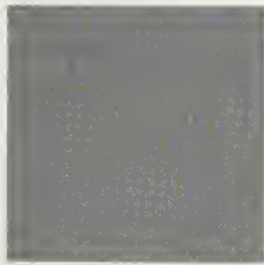

S.C.A.  
Officers

# Beta Club

With the ideals of honesty, leadership, and service as a guide, the Beta Club promotes scholastic achievement and encourages students to continue their education after high school. The club has tried to carry out the motto, "Let us lead by serving others." This year the club tapped its first honorary member, Mohammad Ihsan, G.H.S. 's foreign exchange student from Afghanistan. The club also had an active part in the local federation by having two members as officers. In March, a majority of the members attended the Beta convention in Roanoke. The officers of the club are: Sheila Jenkins, president; Jonathan Stubbs, vice-president; Mona Brewer, secretary; Preston Higgins, treasurer; and Louise Nuttall, reporter. Miss Dallas deKrafft is sponsor.

# 1970 Cheerleaders

Alice Cottingham, Rosette Tabb, Rosemary Gant, Andrea Ayres, Cathy Bridges, Debbie Hogge, Pam Townsend, Marsha Poland, Linda DeBolt, Patty Brown, Debbie Healy; captain, Gray Kirtley, Marti Lewis, Suzanne Smoot, Norma Jordan, Connie Eagle.

*Suzanne Hill Team*

## Pep Club

The spirit at G.H.S., which has helped the mighty Dukes on to victory, has been boosted by the 231 strong Pep Club. The Pep Club, led by President Charles Kerns, Vice-President Penny Carmine, Secretary Paula Burcher, and Treasurer Maria Rigau, has helped to provide the necessary enthusiasm for success.

## Interact Club

The G.H.S. Interact Club is a service organization consisting of 19 members. The activities for this year include publishing the DUKES DISPATCH and posting the school sign. The club's foreign project was a donation to the A.F.S. to help bring an exchange student to the school. The '69-'70 officers are: Warren Deal, president; Charles Kerns, vice-president; Keith Sinclair, secretary; and Ronald James, treasurer. Kenneth Roy is editor of the paper, and Col. W.H.G. Fuller acts as adviser.

## Future Homemakers Of America

The G.H.S. Chapter of the F.H.A. had chosen the theme "To Dare is to Care" for its 1969-70 program of work. Two projects now engaged in include sending care packages to the men in Vietnam and making stuffed animals for small children in orphanages. The officers of the chapter for 1969-70 are: Nancy Rigau, President; Marsha Horsley, Vice-President; Carolyn Sibley, Secretary; Donna Wilson, Corresponding Secretary; Adelaide Dutton, Treasurer; Della Pointer, Parliamentarian; Brenda Shepard, Reporter; and Miss Patricia Cassidy, Advisor.

F.H.A.  
Officers

## Future Farmers Of America

The Future Farmers of America devotes its time and effort to the promotion of vocational agriculture in Gloucester. These members are expressing an avid interest in a traditional occupation of rural America. This year's F.F.A. is led by the following officers: President, Sam Green; Vice-President, Doug Oliver; Secretary, Clyde Rilee; Reporter, Richard Dutton; and Sentinel, Norman Sibley. Mr. Hennessee is the sponsor of the chapter.

### F.F.A. Officers

## Debate Club

The Debate Club is intended to promote concern and involvement in the contemporary world. All debaters learn to develop logical arguments as well as to speak in public. Each year a new topic is selected by a national referendum of coaches of high school teams. The team this year debated what should be the extent of the United States' military commitments to foreign countries.

The Library Club at G.H.S. is intended to help students prepare for careers in library work. A secondary, and a most important, feature of the club is to aid not only the Librarian but other students in their learning activities. These students should be commended for their unselfishness.

## Library Club

## Sailing Club

The Gloucester High School Sailing Club represents one of the novel ideas to come from G.H.S. The Sailing Club, sponsored by Mr. Randall Beaver, is affiliated with the Sea Explorers of the Boy Scouts of America. The club is one of the few coed Sea Explorer units in the United States. Through the generous contributions of time and effort from interested community members, the club did extensive work on its 18'6" Holiday sailboat and trailer. The excitement of sailing is very rewarding as all club members who participated in the 1969 Governor's Cup can testify.

## Drama Club

The Gloucester High School Drama Club again placed its emphasis on one act plays. The first production of the year was "Bad Seed". The club also provided personnel for the production of skits on special occasions this year.

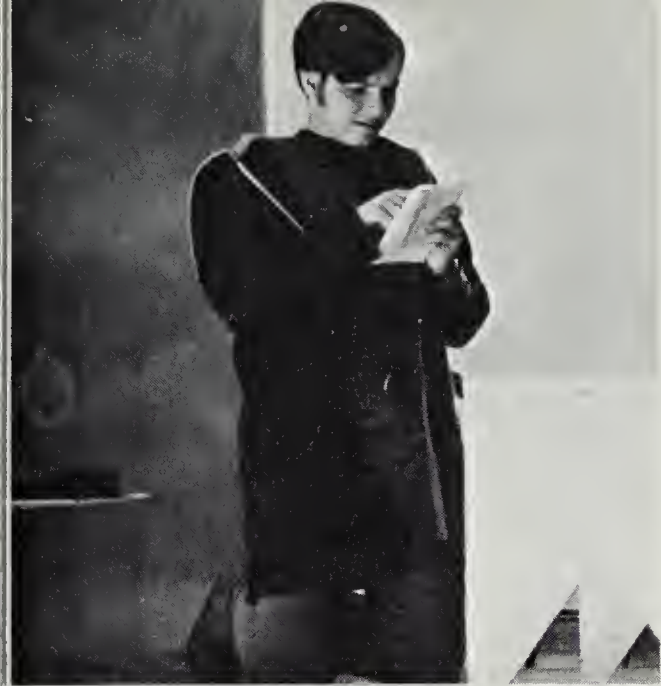

PRESIDENT: Rudy McDaniel  
VICE-PRESIDENT: Michael Ward

SECRETARY: Carey Haus  
TREASURER: Gary Becknell

PUBLICITY CHAIRMEN: Fred Mezger and Myra Horsley  
SPONSOR: Mrs. William Skyles

Concentration of  
mind and emotion.

Practice for  
"Bad Seed"

## Thespian Troop 3099

Thespian Troop 3099 of G.H.S. last year added seventeen new members, bringing its total to forty-four members. G.H.S. is the only Group II school in the district to belong to the international Thespian organization. The biggest thrill of the year came when the club was invited to be one of the four schools in Virginia to present a one act play at the statewide convention. No other Group II school in the nation has ever had this honor.

## 4-H Club

The 4-H Clubs were established by the United States Department of Agriculture to instruct young people concerning modern agricultural developments and practices and the fundamentals of good citizenship. The Gloucester High School 4-H Club is an organization of young people working both as individuals and as an energetic group in order to better fulfill their four-fold aim of improving the head, heart, hands, and health.

This year's choir consists of 73 members under the direction of Stuart Conner. The choir was heard in concert for the first time when they performed during the Thanksgiving assembly. In December, they gave several Christmas concerts; one for the student body, one for the general public, and one for Bethany Methodist Church. In the spring, the choir participated in the annual Spring Music Festival and held a special Easter program. The traditional Senior Concert was also given in the late spring. Several outstanding members of the choir had the opportunity to attend the Regional Choir in Richmond.

## Choral

## Drill Team

This year the G.H.S. Marching Band played on occasion, attending football games and pep rallies in support of the football team and student body. The band won first place in its division at the annual Columbus Day Parade in Newport News, and attended the annual band day of the College of William and Mary. Wherever the band goes, the drill team goes, and likewise the spirit of G.H.S.

## Marching Band

## Concert Band

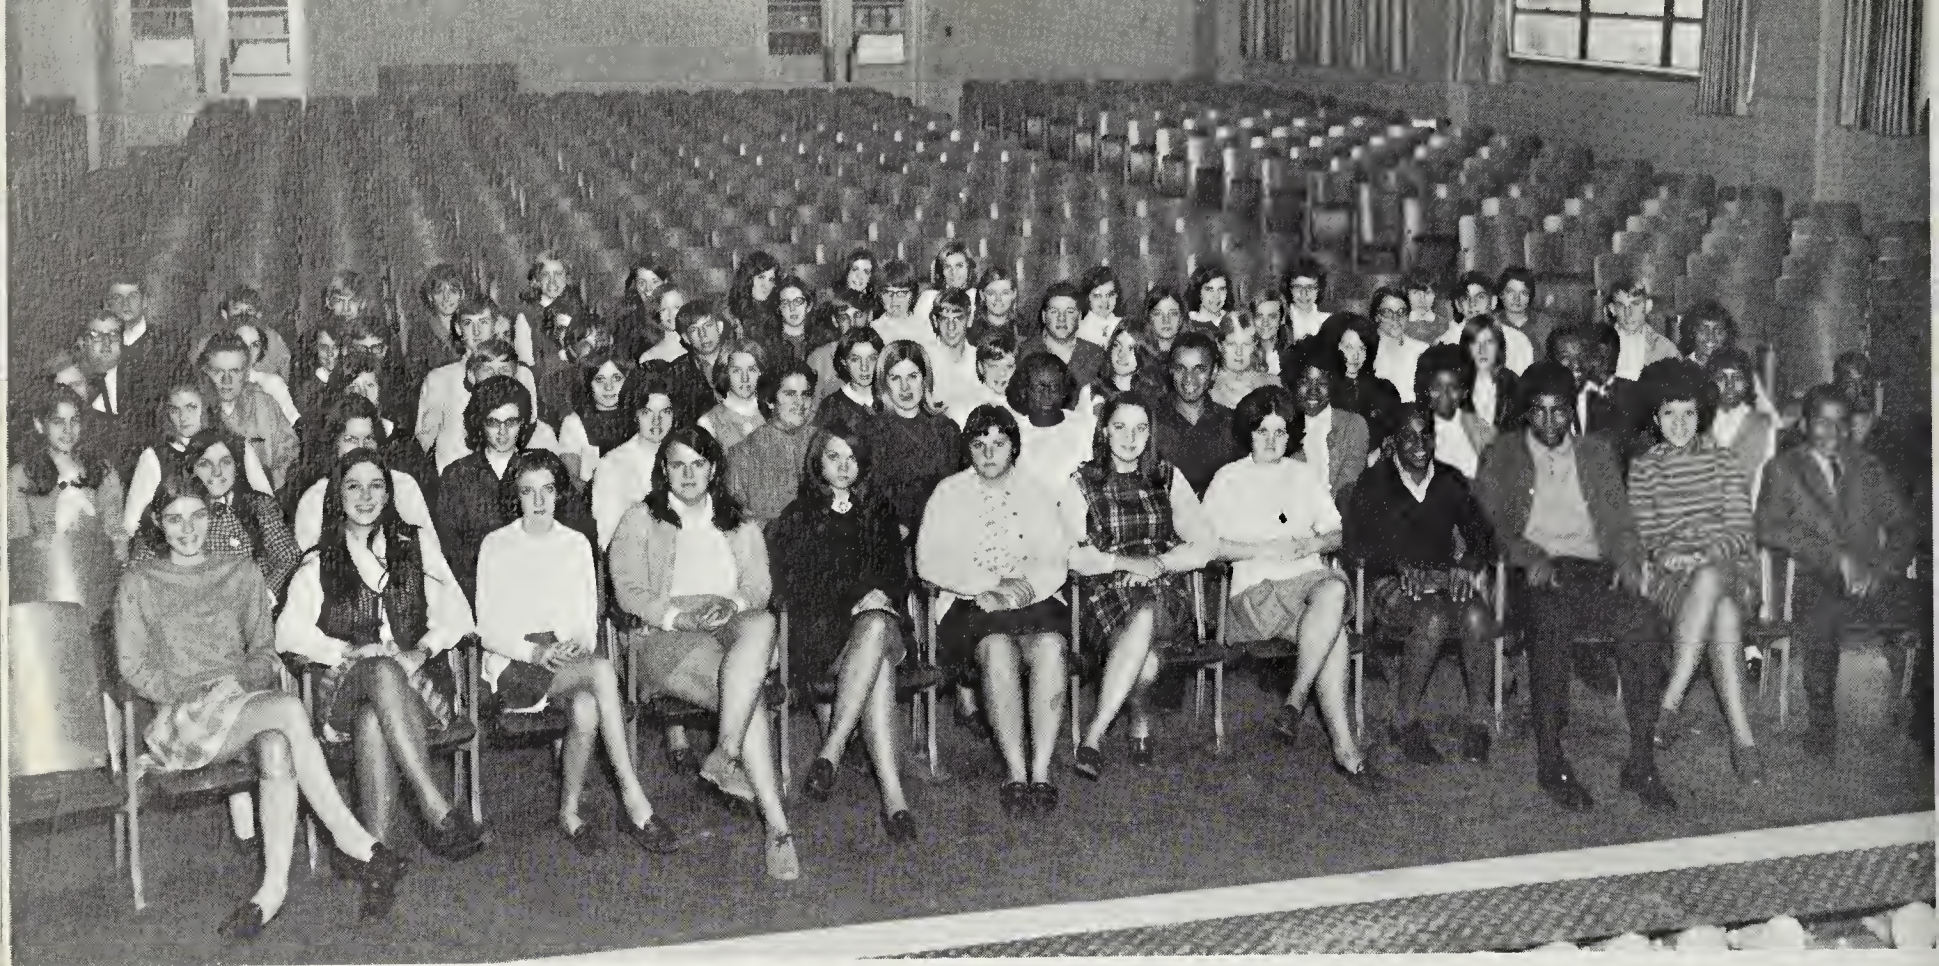

The Concert Band played on various occasions including the Christmas concert, the assemblies, and at the annual Senior concert. The Concert Band is directed by Mr. Conner.

The Dance Band played music of a more popular style at various events including football games. Its director is Mr. Conner.

## Dance Band

## Bible Club

Under the direction of Mr. Lockwood, the Bible Club has worked for the good of the student body. Among its activities the club distributed literature to the students and faculty at Christmas. The officers are: Grace Via, president; Karen Bradley, vice-president; Dennis Walton, treasurer; and Doug Williams, reporter.

## Guidance Assistants

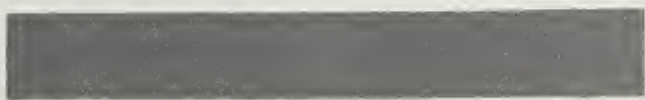

## Science Club

The Science Club was organized for those students interested in science. Its purpose is to challenge the minds of these students through numerous service projects. The Science Club's aim this year was to present the problem of pollution to the people of Gloucester County and ways in which it can be eliminated. The club attempted to provide a science fair for those students who wished to participate. The club's officers are: Michael Ward, president; Joey Brown, vice-president; Betty Wilkinson, secretary; Evan Van Leeuwen, treasurer; Gary Becknell, reporter.

## Office Assistants

The office assistants are important to the efficiency of the school. Through their efforts, time and steps are saved each day. The assistants spend their time collecting absentee slips, delivering messages, operating office machines, and delivering the bulletin.

Lab assistants lend to the versatility of the teacher, freeing him to concentrate on helping more students in a class period.

*They also work like dogs!*

Even,  
Is a real cool guy,  
and a nut. Never  
forget the great times  
in History class with  
good old Mr. Miner and  
in English class with  
sewing Mrs. Kimbrell.  
Best of luck through  
the rest of the year,  
have a great summer,  
and see you  
back next year when  
we're big seniors in  
the Class of 1971.

Love  
Butch Wilkinson

## YOUR CAREER IN ENGINEERING

If you're interested in science and mathematics, you may well have a bright future in engineering.

Few fields offer such varied and promising careers. The faster we progress, the more engineers are needed. So consider making America's progress your own. Plan for a career in engineering!

# NEWPORT NEWS. WE'VE LAUNCHED MORE THAN 500 SHIPS.

**But wait 'til you see our encore.** When we started out in 1886, we were just a small ship repair yard. We named the company Newport News. Because we were proud to be doing business here.

Today we're the largest shipyard in the world. And we're still proud to call ourselves Newport News Shipbuilding and Dry Dock Company. Because a lot of the people who helped put us where we are today come from right here on the Virginia Peninsula.

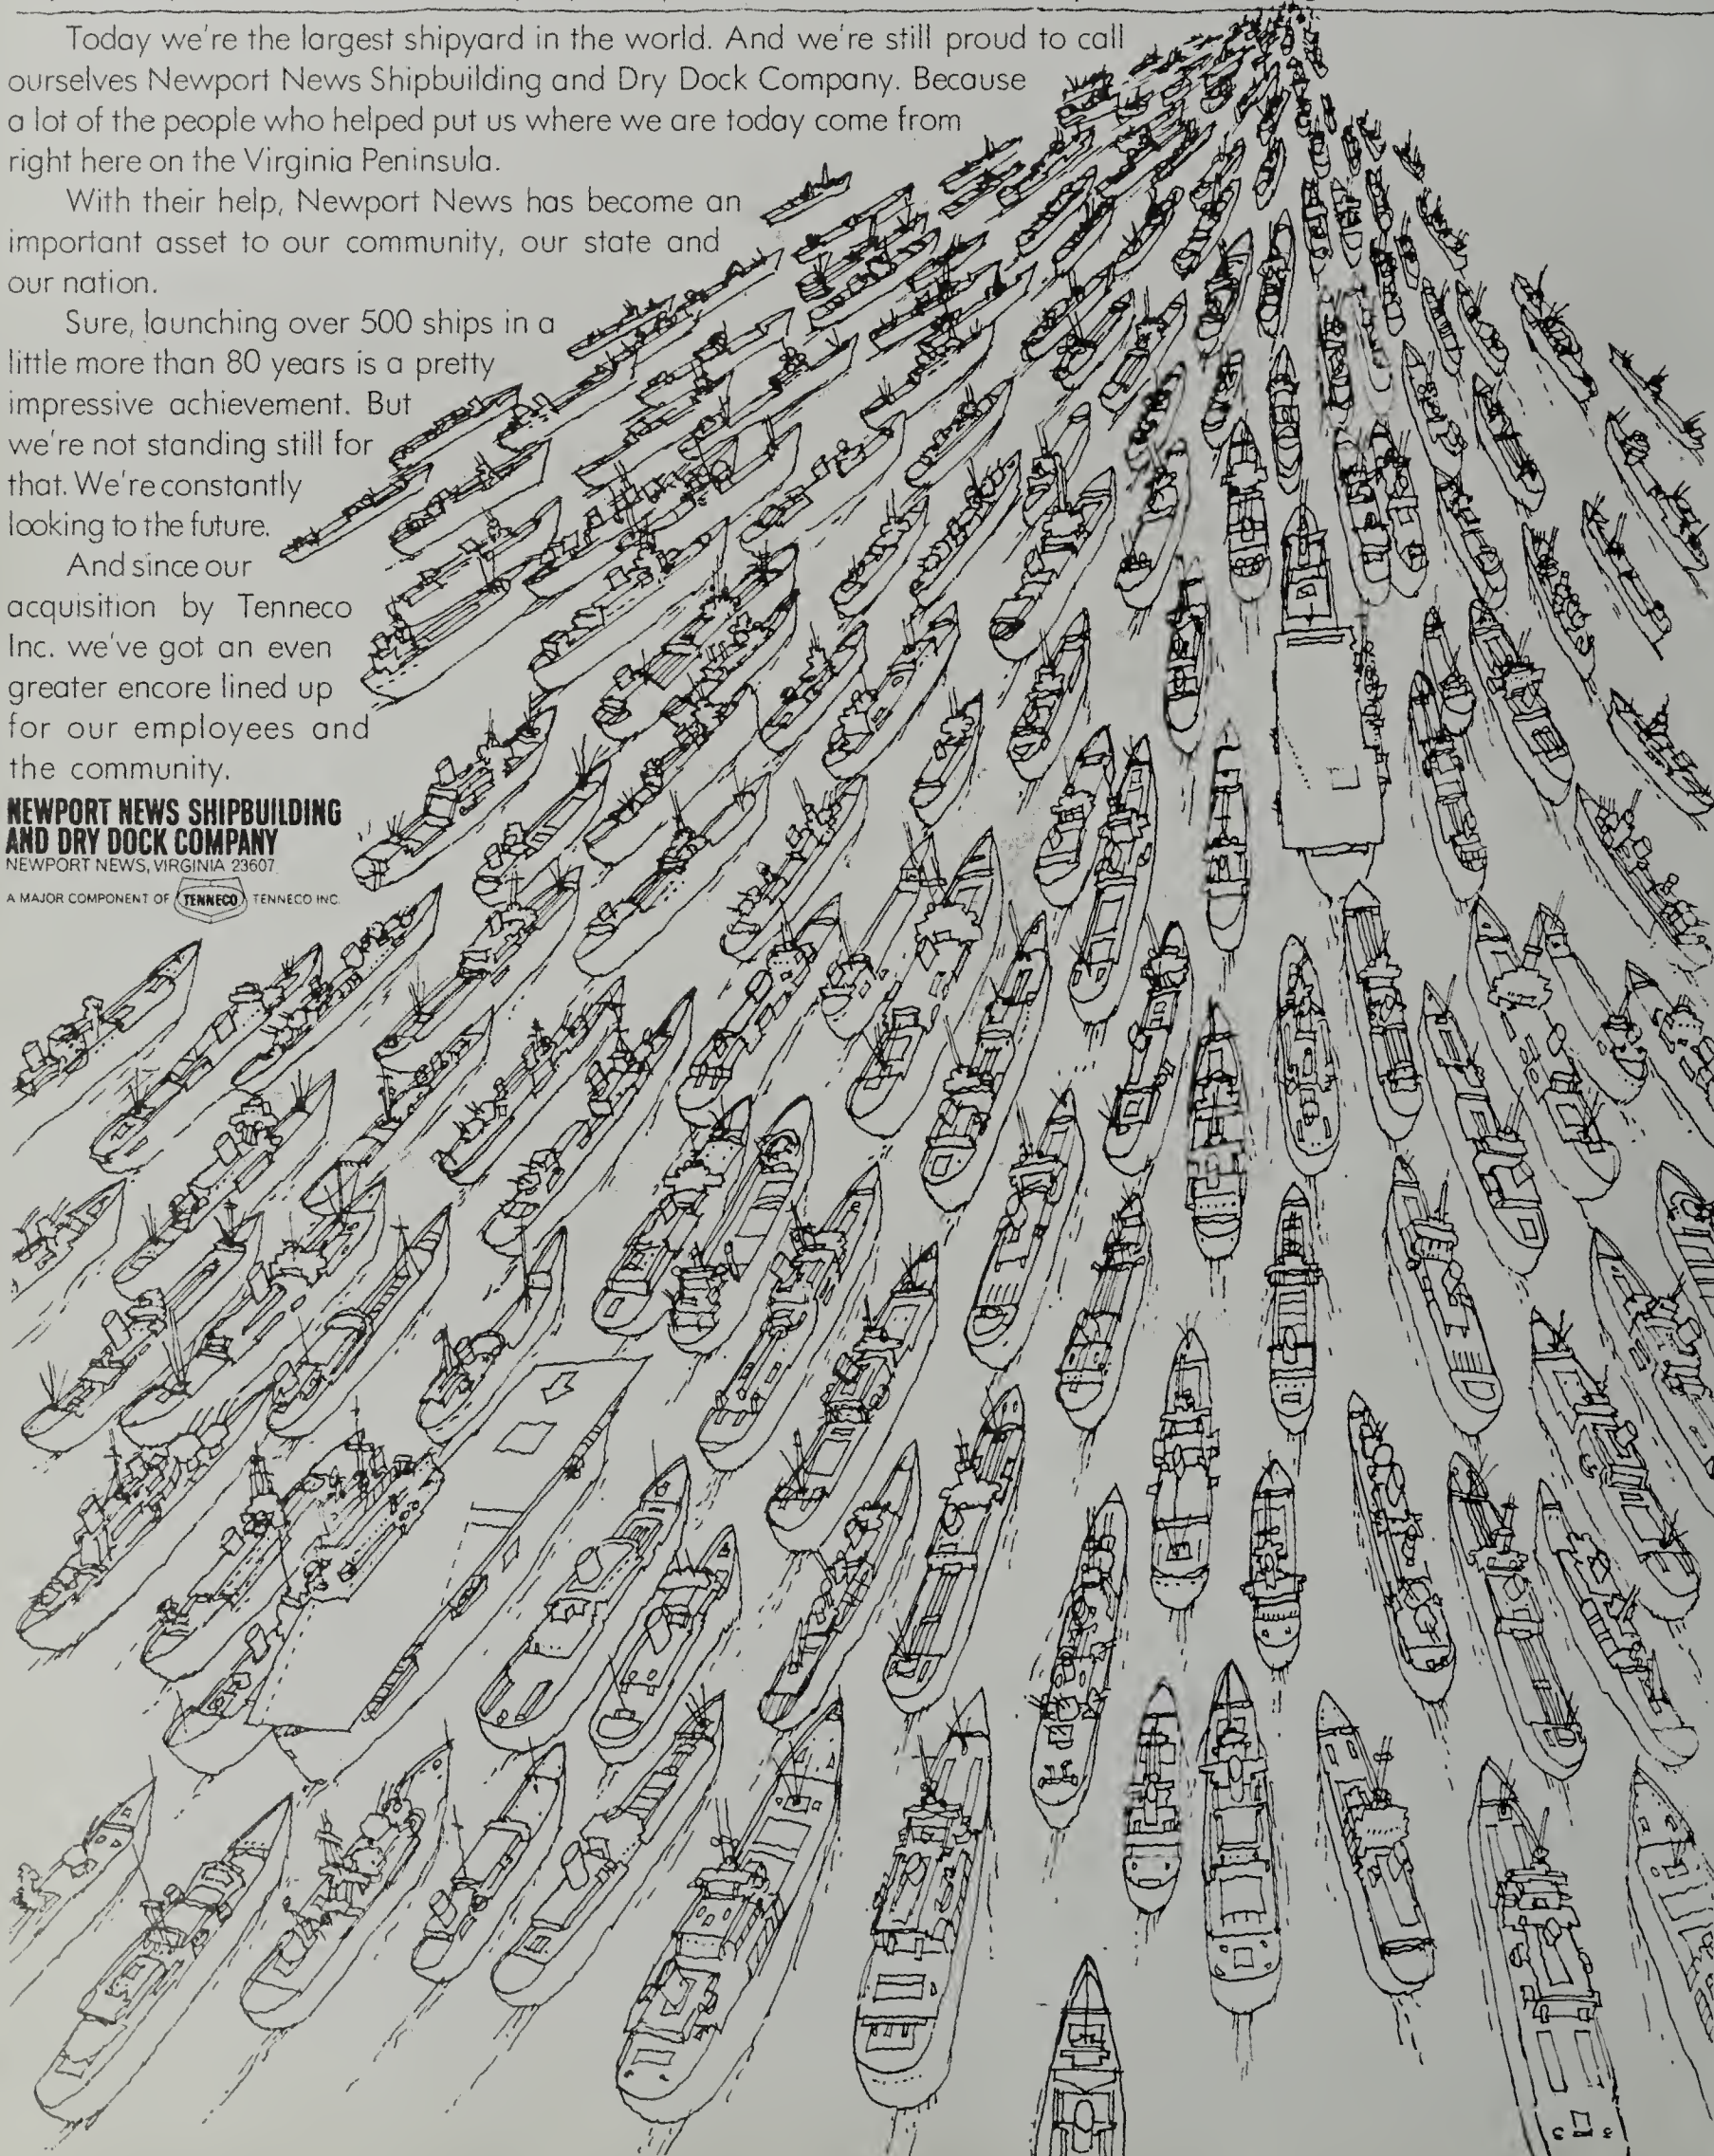

With their help, Newport News has become an important asset to our community, our state and our nation.

Sure, launching over 500 ships in a little more than 80 years is a pretty impressive achievement. But we're not standing still for that. We're constantly looking to the future.

And since our acquisition by Tenneco Inc. we've got an even greater encore lined up for our employees and the community.

HELL! WALK!  
THANK YOU  
Mista Dillon Remember  
6TH period History class  
and homeroom. See ya next  
year as a senior, all try not  
to fall asleep  
your friend  
Tommy

I love you  
jeep - you drive  
rather well, so I might  
let you drive the blue squad car  
Angels baby you for teaching me  
a lot. Thank you about to be the first  
a great deal going to be Indianapolis 500  
result I'm win my skid marks at  
woman to also have this afternoon  
you can also have this afternoon  
War House. See you  
P.S. Look for the  
obscene pictures!

Joan

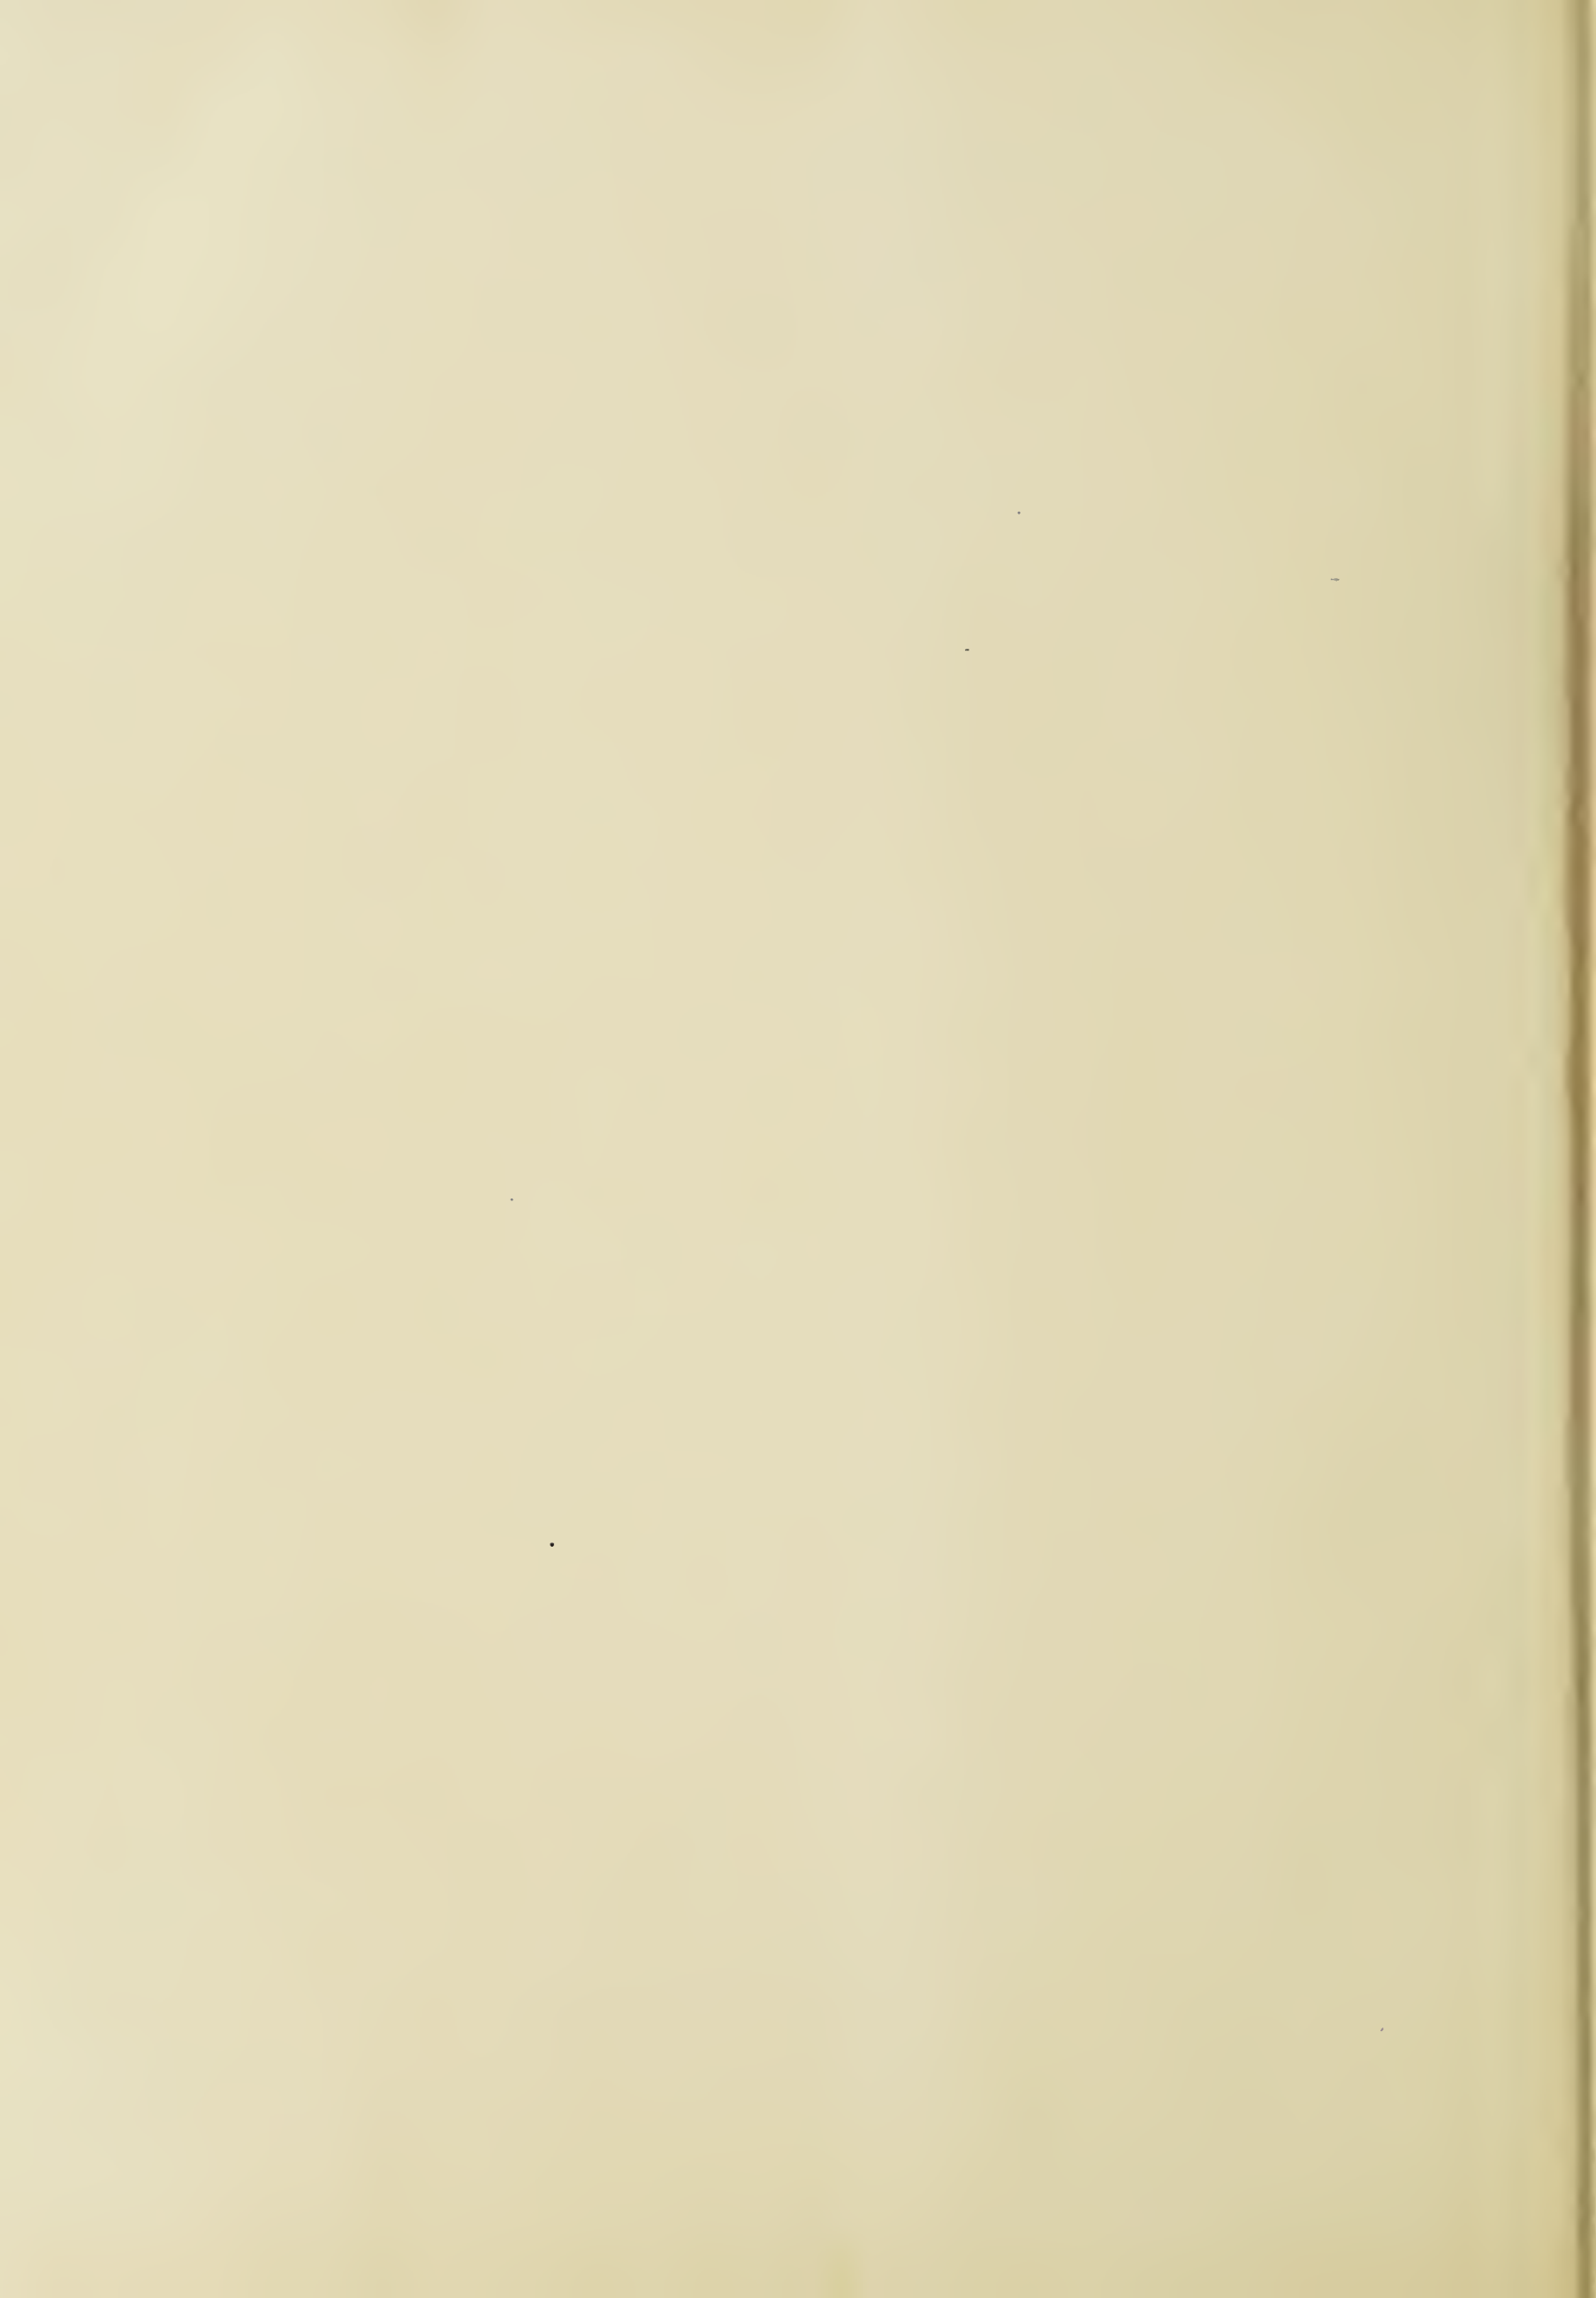

# Summer Supplement

Salutorian Speaks

1970 has been a year of firsts for GHS. These began with the addition of our first foreign exchange student to our student body. Then, football and baseball seasons were begun by playing their first games on the new GHS Athletic Field. The Drama Club presented its first musical, Bye-Bye Birdie. The Seniors presented the first Stunt Night, which was a huge success. The Science Club made its contribution by presenting GHS with its first Science Fair. We, the Cavalier Staff, would like to make our own first -- summer supplement to the 1970 Cavalier.

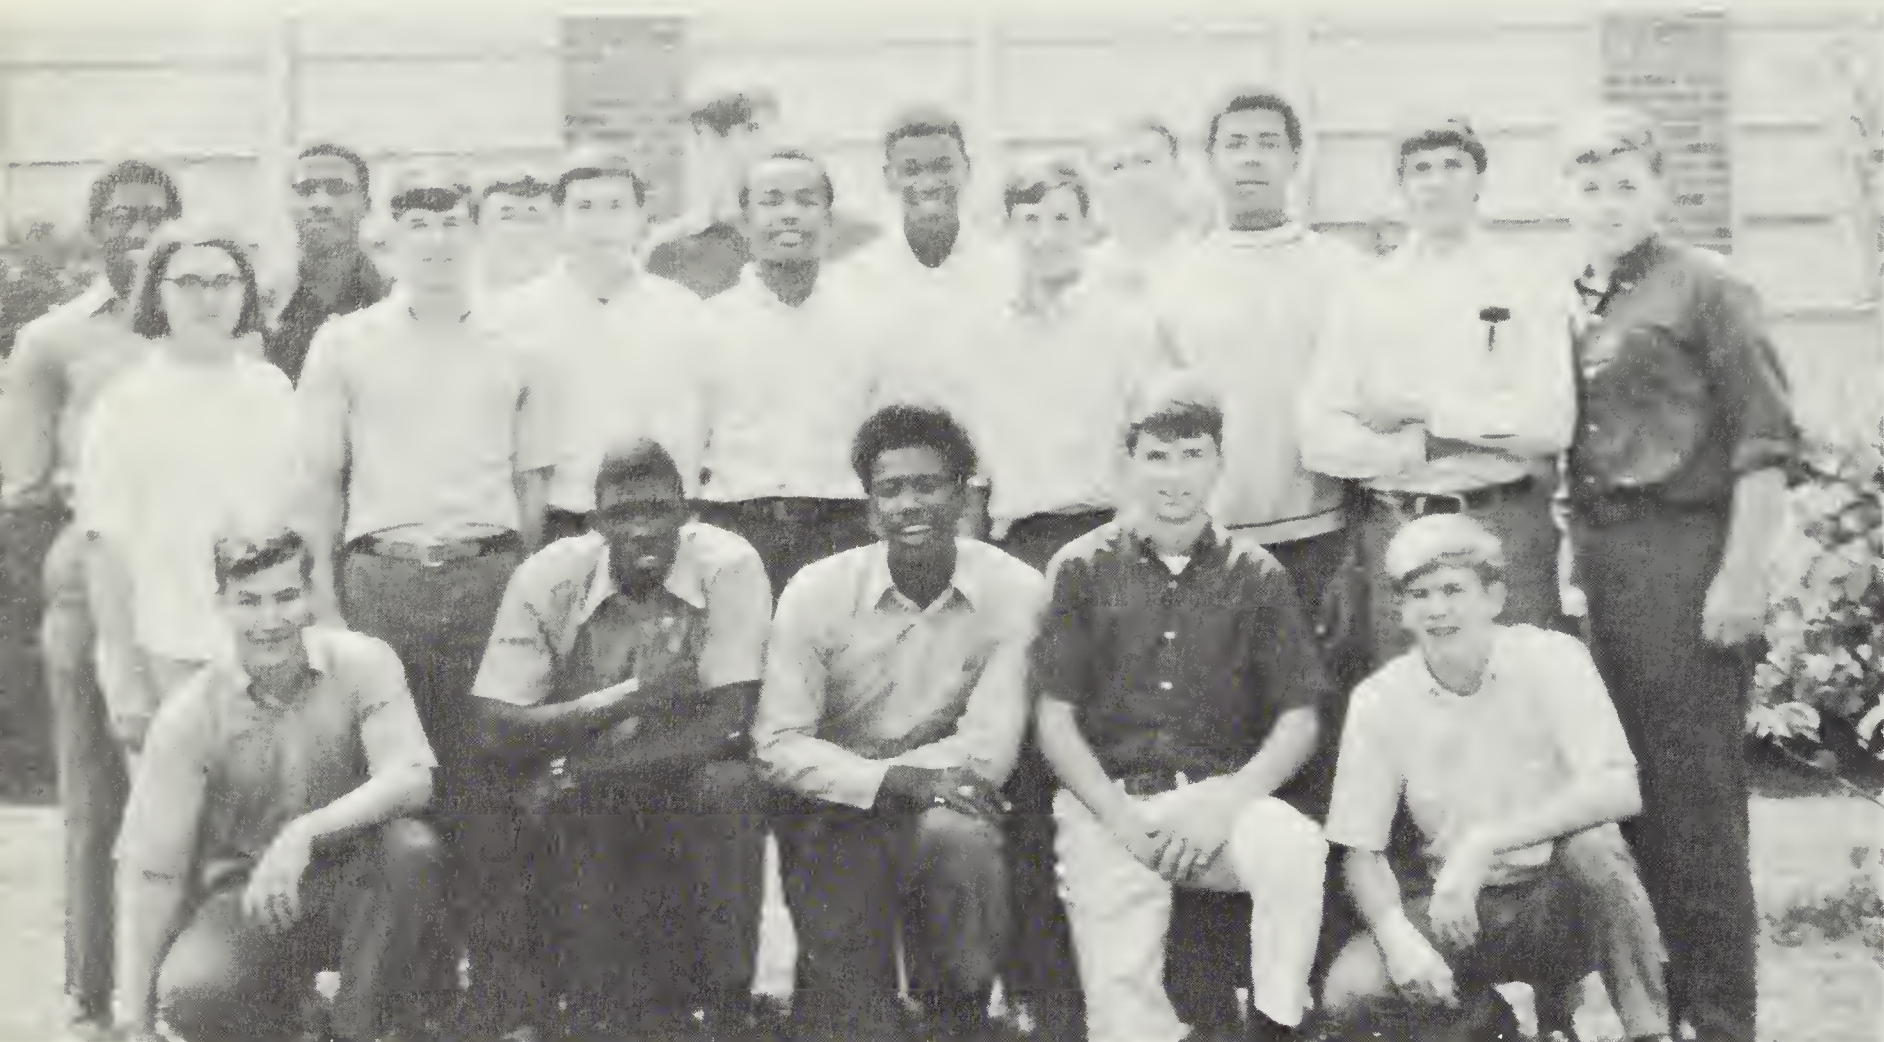

I use new Dry Ban, how about you?

But, all I said was . . .
